

ARIZONA NORDIC VILLAGE WEDDINGS

Discover Arizona Nordic Village, an off-grid forest retreat just outside Flagstaff. Embraced by aspens, ponderosa pines, and winding trails, couples and guests are invited to slow down, connect, and feel at home in the natural beauty of Northern Arizona. With flexible vendor choices and overnight cabins and yurts, weddings become shared experiences — unhurried, heartfelt, and remembered long after the weekend ends.

Here, celebrations are rooted in presence, togetherness, and belonging.

FREEDOM TO CREATE

*At Arizona Nordic Village,
weddings aren't pre-packaged — they're personal.*

*We offer the freedom to shape your day in a way
that reflects your values, relationships, and vision.*

*With **flexible vendor choices** and no required
catering, bar service, or coordinator, couples are
invited to create a celebration that feels honest,
intentional, and truly their own — with the
freedom to create it your way.*

TIME TO GATHER

Some moments deserve more than a single day

*Overnight and multi-day wedding experiences
invite you and your guests to stay a while longer.*

*With cozy cabins, rustic yurts, a spacious studio,
and dry RV camping, celebrations become shared,
unhurried, and deeply connected. From late-night
conversations to quiet mornings in the forest,
these are the moments guests remember most.*

IN RHYTHM WITH NATURE

*Located just west of Flagstaff within the Coconino
National Forest, Arizona Nordic Village is
surrounded by miles of trails and open skies.*

*From May through October, guests can explore the
landscape by foot, bike, or horseback.*

*As evening sets in, our dark-sky setting invites you to
look up — where starlit nights become part of the
experience, and the forest holds the celebration.*
